

On Tuesday 26th February 2019
We would like to start the day with
‘BREAKFAST IN SCHOOL!’

This event has proven popular in recent years and we hope that you will be able to support us to make it a success again this year!

The arrangements for the day are that:
Children are invited to bring their slippers/bed socks to wear inside and a dressing gown to wear over their uniform in their classroom.

Children will need to bring their choice of breakfast with them.

If your child brings cereal they will also need to bring their own labelled bowl and spoon.

All food needs to be labelled or brought in a labelled carrier bag.

We will provide milk, spread and the facility to ‘toast/microwave’.

The children will be eating breakfast after registration – please decide whether it is appropriate for your child to eat their usual breakfast at home and a small breakfast at school – or the other way round – we know that children all get up at different times and have different dietary needs!

Tuesday 26th February is also the start of Book Week. Listening to stories in dressing gowns and slippers on a tummy full of yummy breakfast is an ideal way to start our Book Week!

Thank you in anticipation of your support with this event.
