Wednesday 22<sup>nd</sup> May 2019

Dear Parents/Carers

### Empty Classroom Day

On Thursday 6<sup>th</sup> June the children and staff from Pinxton Village Infant Schools will be taking part in 'Empty Classroom Day'. This concept is celebrated internationally at this time of year and thousands of schools around the world will have a day dedicated to learning outside. The aim is to promote outdoor learning - taking full advantage of what our local area has to offer, particularly in terms of the green spaces that our schools do not have.

The staff have been very busy organising lots of exciting activities that will be based in various locations. These include problem solving games, learning walks and storytelling to name a few.

Due to the nature of the day uniform will not be required. The children will need a good pair of sturdy shoes for walking, comfortable clothing and a waterproof jacket to accommodate the British weather! If the forecast is for hot sunny weather the children will need sun cream applying **before school**.

The children will return to their school site for their usual lunchtime arrangements.

Thank you for your continued support. The day will be a fun one that the children, and staff, are looking forward to.

Mrs Avery

Executive Headteacher: Mrs Jan Pierce

Acting Head of Schools: Mrs Christine Avery
