Comments about this school year.

Really happy with how this year has gone, can't fault the school, had an issue but it was swiftly dealt with and everything is back to normal.
My child's progress has improved this year.
Lovely school atmosphere.
Both of our children have enjoyed attending PVIS.
Looking forward to the residential.
James is really happy and settled at school, the staff do such a lovely job.
Brilliant school, my child looks forward to school every day! The best environment I could hope for as a mother.
Fantastic school as always.
The school has responded positively to feedback from parents which is great to see and I am really pleased with the progress my child is making.
My child has made amazing progress this year, in particular with his confidence. He really enjoys the topics as well.
My child has suffered bullying and does not always enjoy school. Over the last few months however she has got more confidence back.
My child has made fantastic progress.
My child really enjoys coming to school his work and confidence has improved in leaps and bounds! Really pleased with progress this year.
Once again this school has performed above expectations. Class sized are just right and allow children individual time with Teachers and Teaching Assistants.
Well please with my child's progress, always gets up for school and wants to come.
My child is loving school, trying really hard, made lots of friends. Brilliant activities.
A good year, lots of different topics.
Fab new learning ways, seen big improvements in my child's learning.
My child enjoys going to this school. I find all the staff supportive and approachable.
My child has learnt a lot through her school year.
My child has really enjoyed the variety of learning opportunities on offer this year, especially talks from authors and the school performances.
Excellent school in every way!
Very happy! Our child loved the 'Flying High' Arts project!!

Hopes for the next school year.

I hope my child continues with all the good school values at the next school.

Improve her spelling and the maths.

Good work continues into Kirkstead.

More of the same.

Continue with progress and maintaining this beautiful little school.

Continue to develop and support children in thriving and taking part in different activities.

I hope my child will continue to progress and engage well with the school and his work.

For my child to grow in confidence and make improvements on her writing.

For children to dress up on World Book day, most schools do allow it. **We offer a number of non-uniform and themed days throughout the year. We choose not to dress up on World Book Day as we don't want to put parents under pressure to buy costumes that have inflated prices at this time.**

Keep up the excellent work with all pupils.

For school to provide 1 on 1 out of the classroom for those who need it. **Children do have 1-1 support for a range of reasons – sometimes in the classroom, sometimes in the 'Happy Room' or Learning Lounge.**

Keep up the good work.

I hope that next year will be as good as this one.

To continue to progress and be happy in school.

To continue making good progress, develop confidence and continue his love of school.

We hope the next year is as good as this one has been.

Look at integrating the Infants school ready for the transition in to Junior school so the pupils are aware of the other pupils and feel more confident.

We have numerous events and activities throughout the year where the children get opportunities to get to know each other. During the transition programme there are also specific activities held at Kirkstead. We have to take into account that not all the children will go to the same Junior School. We are always conscious of preparing the children for their next stage in Education and aspire for the children to leave us with independence and confidence.
